

WHO'S LOBBYING WHO IN BC?

Monthly Snapshot – September 2026

The following is a brief summary of new Registration Returns activated or re-activated between September 1 and September 30, 2026, under BC's *Lobbyists Transparency Act*.

To view full details of all Registration Returns, you must search the [Lobbyists Registry](#). For screenshots of various ways to search the Lobbyists Registry, see the [Getting Started - Reference Guide](#) pages 26 - 28.

1. Nicole Brassard, a consultant lobbyist, is lobbying public office holders at several public agencies on behalf of Enterprise Rent-A-Car Canada Company regarding clarification, modernization and/or changes related to PST bulletin 116, specifically with regard to its application on Canada's vehicle rental/short-term leasing sector; changes to the government's Electric Vehicle mandate and ongoing revisions to the CleanBC program; and managing transportation demand for FIFA World Cup 2026 preparations.
2. Robert Brown, a consultant lobbyist with NATIONAL Public Relations, is lobbying public office holders at the Ministry of Health and the Office of the Premier on behalf of EMD Serono Canada to encourage effective collaboration with the federal government around a prior announcement related to fertility funding.
3. Melissa Carvalho and Beatriz Grigsby-Larson, consultant lobbyists with Global Public Affairs Inc., are lobbying public office holders at the Ministry of Health and the Office of the Premier on behalf of PEOPLES PHARMACY 387 advocating for the development of a stable, long-term program that provides predictable and sustainable funding, allowing for effective service delivery to MAP patients. Additionally, the client is seeking back pay for MAP services delivered while the program was paused. This was to not disrupt patients access to critical care.

4. Cam Ehl, a consultant lobbyist with Prairie Sky Strategy, is lobbying public officeholders at several public agencies on behalf of Capstone Oilfield Services Ltd. regarding changes to the rules and regulations governing how surface casing vent flow (SCVF) and gas migration testing on oil and gas wells is conducted in British Columbia.
5. Steve Greenaway, a consultant lobbyist with Counsel Public Affairs Inc., is lobbying public office holders at several public agencies on behalf of Pitt Meadows Shopping Centres Ltd. to identify issues and discuss the way forward on the North Lougheed Area Plan (NLAP).
6. Steve Greenaway and Pegah Taj, consultant lobbyists with Counsel Public Affairs Inc., are lobbying public office holders at several public agencies on behalf of Ballard Power Systems Inc. to discuss potential financial support for clean technologies, including hydrogen fuel cells for mobility and stationary applications, as well as government policies and programs related to clean energy, hydrogen, infrastructure, decarbonization, sustainable energy, and hydrogen fuel cell technology.
7. Beatriz Grigsby-Larson, a consultant lobbyist with Global Public Affairs Inc., is lobbying public office holders at the Ministry of Health and the Office of the Premier on behalf of Medplus Pharmacy Ltd advocating for the development of a stable, long-term program that provides predictable and sustainable funding, allowing for effective service delivery to MAP patients. Additionally, the client is seeking back pay for MAP services delivered while the program was paused. This was to not disrupt patients access to critical care.
8. Beatriz Grigsby-Larson, a consultant lobbyist with Global Public Affairs Inc., is lobbying public office holders at the Ministry of Health and the Office of the Premier on behalf of Pinnacle Pharmacy Ltd. advocating for the development of a stable, long-term program that provides predictable and sustainable funding, allowing for effective service delivery to MAP patients. Additionally, the client is seeking back pay for MAP services delivered while the program was paused. This was to not disrupt patients access to critical care.
9. Stefanie Hass, a consultant lobbyist with Global Public Affairs, is lobbying public office holders at the Ministry of Health and the Ministry of Jobs and Economic Growth on behalf of PTC Therapeutics Canada Limited to introduce PTC Therapeutics Canada to the British Columbia government, discuss rare disease policy (provincially), the Expensive Drugs for Rare Diseases framework, the Life Sciences and Biomanufacturing strategy, challenges in the PKU treatment space, improve timely access to therapies, and identify areas of future collaboration.

10. Leah Holoiday, a consultant lobbyist with GT & Company Executive Advisors, is lobbying public office holders at several public agencies on behalf of Hydrostor Inc. regarding the organization's efforts to engage the Province of British Columbia on the role of long-duration energy storage in the province's future electricity system, including its Advanced Compressed Air Energy Storage (A-CAES) technology, developed and demonstrated in Canada, which provides large-scale, long-duration storage using established equipment and purpose-built underground caverns.
11. Sebastian Jedrzejewski, a consultant lobbyist with StrategyCorp Inc., is lobbying public office holders at several public agencies on behalf of JOLT Charge Inc. regarding the addition of electric vehicle charging stations.
12. Sebastian Jedrzejewski, a consultant lobbyist with StrategyCorp Inc., is lobbying public office holders at several public agencies on behalf of Waymo LLC regarding the development of legislation and regulation for autonomous vehicles.
13. Mark Jiles, a consultant lobbyist with Bluestone Consulting Inc, is lobbying public office holders at several public agencies on behalf of British Columbia Notary Association regarding review and change of the BC Mortgage Broker's Act.
14. Terra Johnston, a consultant lobbyist with Chalet Point Consulting & Retreats Ltd., is lobbying public office holders at the Ministry of Children and Family Development regarding services for children and youth with special needs and their families.
15. Lindsay Keeley, a consultant lobbyist with Crestview Strategy Inc., is lobbying public officeholders at several public agencies on behalf of Skyward Wildfire Technologies Inc. to advocate regarding the transition of innovation-funded pilot programs to direct procurement contracts.
16. Trevor Kramer, a consultant lobbyist with StrategyCorp Inc., is lobbying public office holders at several public agencies on behalf of The Children's Family House Society of British Columbia d.b.a Ronald McDonald House British Columbia & Yukon seeking awareness, support, and funding for the second Ronald McDonald House in Vancouver.
17. Taylor Kyte, a consultant lobbyist with Global Public Affairs Inc., is lobbying public office holders at several public agencies on behalf of Ethos Lab Educational Society regarding engagement on artificial intelligence policy and innovation adoption, including government strategies, funding programs, and partnerships that support AI skills development, digital literacy, and workforce readiness initiatives, as well as provincial efforts to advance AI integration across sectors, strengthen talent pipelines, and support community-based innovation infrastructure aligned with emerging technology priorities.

18. Taylor Kyte, a consultant lobbyist with Global Public Affairs Inc., is lobbying public office holders at several public agencies on behalf of DigiBC - The Interactive & Digital Media Industry Association of British Columbia regarding strengthening BC's strong, vibrant, and competitive creative tech sector by maintaining the Interactive Digital Media Tax Credit at 25% and providing incentives for BC-owned IP creation and regionality.
19. Dawson Matthews-Reid, a consultant lobbyist with StrategyCorp Inc, is lobbying public office holders at several public agencies on behalf of Fish Wildlife Habitat Coalition advocating for biodiversity and ecosystem health, including the restoration and long-term sustainability of fish, wildlife, and habitat in British Columbia.
20. John Moonen, a consultant lobbyist with John Moonen & Associates Ltd., is lobbying public office holders at several public agencies on behalf of Athiana Acres Abbotsford Holdings Ltd. regarding finding ways to use a parcel of ALR land for park and recreation purposes.
21. Jill Pilgrim, a consultant lobbyist with Santis Health, is lobbying public office holders at the Ministry of Health on behalf of the Canadian Cancer Society advocating regarding engagement opportunities on the 10-year cancer plan and Canada Health Transfers, including policies or programs related to matters on which the Canadian Cancer Society is lobbying, or intends to lobby in the near future, on behalf of cancer patients, caregivers, and the health of citizens.
22. Nicole Raschella, a consultant lobbyist with Global Public Affairs Inc., is lobbying public office holders at several public agencies on behalf of Western Pacific Marine Ltd. regarding a proposal to electrify ferry transportation with innovative investment and construction.
23. Ken Veldman, a consultant lobbyist with Prairie Sky Enterprises Ltd., is lobbying public office holders at several public agencies on behalf of AltaGas Ltd. regarding assessment and property taxation issues related to client port terminal operations in BC.
24. Gurpreet Vinning, a consultant lobbyist with Prospectus Associates, is lobbying public office holders at several public agencies on behalf of Vitalus Nutrition Inc. to seek funding or regulatory flexibility as a result of US tariffs.
25. Stephen Yardy, a consultant lobbyist with PAA Advisory | Conseils, is lobbying public office holders at several public agencies on behalf of StubHub Inc. to raise awareness among government and public office holders about StubHub's business, the ticketing industry at large, and live events, with the goal of informing consideration of measures related to ticketing, competition, and consumer protection.

26. Abbott Laboratories Co. is lobbying public office holders at several public agencies regarding Abbott's FreeStyle Libre brand product reimbursement, and engaging core stakeholders regarding the review process.
27. Borealis Biosciences Canada, Inc. is lobbying public office holders at several public agencies seeking provincial funding from the government of British Columbia, in connection with Borealis Bioscience's application to the federal government's Strategic Response Fund (SRF), to support research and development activities and building of RNA therapeutics manufacturing capabilities for its oligonucleotide (siRNA/ASO) delivery platform to the kidney and potentially other organs.
28. Canadian ETF Association (CETFA) is lobbying public office holders at the British Columbia Securities Commission regarding issues related to the ETF regulatory environment and policy and program recommendations, specifically the elimination or modernization of the BCSC ETF fee structure to reduce structural cost burdens on Canadian-listed ETFs and enhance domestic market competitiveness.
29. Cedar Leaf Capital is lobbying public office holders at the Office of the Premier regarding the potential to be included in the BC Government's bond syndicate program in the future.
30. Fort Nelson District Teachers' Association is lobbying public office holders at several public agencies regarding advocating for adequate funding for K-12 Education, teachers' working and students' learning conditions, teaching conditions, retention/recruitment, Aboriginal culture and heritage in education, health and safety in schools, including COVID-19, advocacy regarding changes to economic development in oil and natural gas/LNG, forestry, forestry products, transportation to support these activities, and public transportation options in the region (bus and air travel).
31. Nanaimo Brain Injury Society is lobbying public office holders at several public agencies regarding brain injury, mental health and overdose, provincial brain injury funding, and provincial brain injury services and supports.
32. NTE Discovery Park Ltd. is lobbying public office holders at several public agencies regarding promoting the land use planning and development activities of Discovery Park, seeking provincial government support in dealing with materials from an old mill demolition, and seeking collaboration with the provincial government to realize sustainable revenue generation on site that will enable further investment, jobs, and regional economic development opportunities.

33. Onyx Security Services LTD. DBA Signal Security of the Okanagan is lobbying public office holders at several public agencies regarding changes to public policy and regulations concerning public safety and the integration of private security into the broader public safety dynamic.
34.
